What we believe

A summary of the Statement of Faith

The Old and New Testament Scriptures are inspired by God and are our final authority for faith and life. We believe in one God, eternally Father, Son and Holy Spirit.

Jesus Christ is true God and true man, conceived by the Holy Spirit and born of the virgin Mary. He died for our sins, rose bodily, ascended to heaven and lives as our High Priest and Advocate. He will return personally.

Humanity, created in God's image, fell into sin. Those who repent and receive Jesus by faith are born again through the Holy Spirit. We believe in resurrection, eternal life for the redeemed and eternal separation for those who reject salvation.

The Holy Spirit empowers believers for service with spiritual gifts. We affirm the ministries of apostle, prophet, evangelist, pastor and teacher, and the Church as all who are redeemed by Christ and renewed by the Spirit.

We practise believers' baptism by immersion and the Lord's Supper in remembrance of Christ's sacrificial death. We believe in divine healing and in holiness and progressive sanctification. We remain open to further truth illuminated by the Holy Spirit through Scripture.

This summary provides a basis for fellowship and cooperation. Contact the ministry for the full Statement of Faith and credential requirements.
